

Welcome to the Beatitudes Family

You've made the right choice. We know moving is hard, but here is some information to make your first few days successful. Put this paper on your refrigerator using the enclosed magnet just for the first few days. It will help you with all of the essentials.

To make an outside call: Press 7, then 1, then dial the number. On Campus all you need to dial is 1 and the extension number.

Town Plaza is where the Bistro Restaurant, our 24 hour Library, the Plaza Club, Starbucks Coffee Shop, the Gym and the bus stop are all located. That is a "HUB" for the Campus. The phone numbers are on the magnet. If you are too tired to leave your apartment, we will be glad to deliver your meal.

Around the Block will take you anywhere you would like to go on campus. Just dial x1 5007 for a ride. For off-campus medical trips, call x1 6135.

The Roadrunner is the weekly activities guide. It will tell you everything happening on campus for the upcoming week. It comes out every Saturday morning with the Crave.

The Crave contains menus and hours of operation for all restaurants.

The Roadrunner Hotline will give menu items too. Call x1 9756 to listen.

Touchtown is an information portal for mobile phones. We will help you learn this system every Thursday from 2:00 – 3:00 in the Bistro.

The Campus bus will take you to Safeway, Frys and Costco, as well as group dineouts. Look in the Roadrunner Calendar for times and information.

Every Wednesday at 2:00 pm is a Community Activity. Check Roadrunner for event description and location of the event.

Anyway, welcome to life here at Beatitudes. Happiness is a choice. You will be happy here if you allow yourself the opportunity. I am your personal helper through these first few days. Please call me at x 1 _____ with any questions.

See you around the campus!!!
